Re: Case No. 18-0974-TF
Tariff filing of Green Mountain Power requesting a 5.45% increase in its base rates effective with bills rendered January 1, 2019, to be fully offset by bill credits through September 30, 2019

Dear Ms. Whitney:

Attached please find Green Mountain Power's ("GMP") *Rebuttal Testimony and Exhibits* in the above-referenced matter. GMP's testimony and exhibits include responses to each of the Commission's August 30, 2018 Information Requests, and we have separately included an index of the location of each response to the Commission. Finally, due to difficulty of legibly printing native format files, we are providing copies of the native files for Exhs. GMP-JC-3 (Rev.), GMP-JC-4, and GMP-JRF-5 to the Commission via USB drive in addition to a hard copy of all other testimony and exhibits.

If you have any questions, do not hesitate to contact me.

Sincerely,

Geoffrey H. Hand, Esq.
