Want to join our free EV charger program?

When you buy or lease an all electric vehicle, we will give you a Level 2 charger to install and use at home while you're enrolled in our home charging program. You must have wifi so the charger can connect with GMP. Learn more at greenmountainpower.com/product/home-level-2-ev-charger/

*Customers joining the free charger program will receive a contract via email they sign and return to GMP.

I will be installing the charger outside.

Yes! I'd like the charger. I agree. Enroll me now!
